RE: Grant Application for Flood Protection Corridor Program
Applicant: Reclamation District 2107

Dear Mr. Nelson,

I am the property owner of Assessor's Parcel Numbers 239-040-04 and 239-040-07. The portion of my property located southeast of the Union Pacific Railroad tracks is included in the subject application for Grant Funds under the Flood Protection Corridor Program. This letter is to confirm that this application is being submitted with my knowledge and endorsement, with the understanding that my endorsement and cooperation is contingent upon this land or an easement over this land being purchased from me under terms mutually agreeable. In addition, it must be clearly understood that I am under no obligation to sell my property to the Department of Water Resources, and if my parcel or an easement is not purchased, I am under no obligation to pursue this grant or to pursue the proposed floodplain restoration project.

Sincerely,

Thomas Pishos
